Executive Editor
RENATA DMOWSKA
Harvard University, Division of Applied Sciences
Pierce Hall, 29 Oxford Street
Cambridge, MA 02138, USA

Pure and Applied Geophysics welcomes original contributions in English (and occasionally in French and German) on all aspects of geophysics. Manuscripts in solid earth science should be submitted to the Executive Editor at the address above, in triplicate, typewritten with double spacing and wide margins. Manuscripts in atmospheric and oceanic sciences should be submitted directly to an editor of your choice. Detailed guidelines for contributors can be found on the inside back cover of this issue.

Subscription Information
This Journal appears in volume of 6 issues per year.
Annual subscription: SFr. 556.–, DM 640.–, approx. US$ 352.– postage included; single issue: SFr. 100.–, DM 110.–, approx. US$ 64.– postage not included.
Subscription orders should be placed with Birkhäuser Verlag, P.O. Box 133, CH–4010 Basel/Switzerland or trough your bookseller or subscription agency.
Claims for undelivered issues must be made promptly – at the very latest, immediately following receipt of the issue succeeding the missing number. Annual subscription cannot be cancelled before the fixes date of expiration. Cancellation of standing orders must be effected 2 months before the end of the publishing year.

Advertising
Orders for advertisements should be sent to Birkhäuser Verlag, P.O. Box 133, CH–4010 Basel/Switzerland.

Copyright
It is a fundamental condition that submitted manuscripts have not been published and will not be simultaneously submitted or published elsewhere. By submiting a manuscript, the authors agree that copyright for their article is transferred to the publisher if and when the article is accepted for publication. The copyright covers the exclusive rights to reproduce and distribute the article, including reprints, photographic reproductions, microform or any other reproductions of similar nature, and translations. Photografic reproduction, microform, or any other reproduction of text, figures or tables from this journal is prohibited without permission obtained from the publisher.

For users in the USA:
The appearance of the code immediately before each article in this journal indicates the copyright owner's consent that copies of articles may be made for personal or internal use, or for the personal or internal use of specific clients. However, this consent is given on the condition that the copier pay the stated per copy fee through the Copyright Clearance Center, Inc., 21 Congress St., Salem, Mass. 01970, for copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distributions, for advertising or promotional purposes, for creating new collective works, or for resale. For copying from back volumes of this journal see Permissions to Photo-Copy: Publisher's Fee List of the CCC.
